2.6.2 For an Office Holder who is a member of the Public Sector Superannuation Scheme:

- (a) the Office Holder's basic salary for the purposes of the scheme is the Office Holder's Base Salary; and
- (b) the amount of the Officer Holder's recognised allowances for the purpose of the scheme is zero; and
- (c) the value attributed to the Employer's Superannuation Contribution is taken to be 15.4% of the Officer Holder's Base Salary.

2.6.3 For an Office Holder who is a member of the Public Sector Superannuation Accumulation Plan, the Office Holder's superannuation salary for the purposes of the scheme is the Office Holder's ordinary time earnings (OTE).

2.6.4 For an Office Holder who is a member of the Defence Force Retirement and Death Benefits Scheme:

- (a) the Office Holder's annual rate of salary for the purposes of the scheme is the Office Holder's Base Salary; and
- (b) the value attributed to the Employer's Superannuation Contribution is taken to be 15.4% of the Office Holder's Base Salary.

2.6.5 For an Office Holder who is a member of the Military Superannuation and Benefits Scheme:

- (a) the Office Holder's annual rate of salary for the purposes of the scheme is the Office Holder's Base Salary; and
- (b) the value attributed to the Employer's Superannuation Contribution is taken to be 15.4% of the Office Holder's Base Salary.

2.6.6 For an Office Holder who is a member of any other superannuation fund, the Employer's Superannuation Contribution is to be made at the rate elected by the Office Holder, which must not be less than a rate that would, under section 23 of the *Superannuation Guarantee (Administration) Act 1992*, reduce the charge percentage in relation to that Office Holder to zero.

2.6.7 No cash in lieu: The value attributable by virtue of this clause to the Employer's Superannuation Contribution is referable to a non-salary component of Total Remuneration and may not be the subject of an election to take an equivalent amount of salary instead.

- 2.7 Vehicles:** Where an Office Holder accepts an offer of an agency owned or leased vehicle for private use, the Office Holder's Total Remuneration will be reduced by the actual cost of the vehicle to the agency and fringe benefits taxation, less a reasonable amount (if any) reflecting business usage patterns. Where an Office Holder has access to an agency owned or leased vehicle for private use, the Office Holder will be considered to have accepted an offer of a vehicle for the purposes of this provision. Any business usage amount is to be assessed on log book records for at least a 12 week representative period. Where the annual business kilometres are less than 5,000 it will be based on the 'cents per kilometre' method. Where business kilometres are 5,000 kilometres or more, the percentage of business use to total kilometres travelled per annum will be applied to the total cost of the vehicle.
- 2.7.1 Vehicle parking:** Where an Office Holder accepts an offer of a car park at Commonwealth expense, the actual cost (including fringe benefits tax) of the car park to the Agency will be a Benefit for Total Remuneration purposes.
- 2.8 Business Support:** Where an Office Holder is provided with communications, information technology and other office facilities necessary for the efficient conduct of his or her office, incidental private use of those facilities by the Office Holder does not necessitate the value of the facilities being included in Total Remuneration.

PART 3 – ALLOWANCES

- 3.1 Accommodation Allowance:** The Office Holders listed in Column 1 of Table 3A will be eligible to receive an accommodation allowance (subject to expenditure) as shown in Column 3 of Table 3A whilst they occupy the office shown in Column 2. This amount is to assist the Office Holder in meeting settling-in and commercial rental accommodation costs (including one-off utility connection costs) in the office location:
- (a) while they also continue to have a property other than in the office location, as their principal place of residence; and
 - (b) it will not be paid for such periods that they live in premises owned by them at the office location.

An Office Holder will not be eligible to access travel allowance entitlements in the home locality or the office locality whilst they remain eligible to receive the accommodation allowance. However, where in terms of the ongoing arrangement it would clearly be more cost effective for the agency to provide travel allowance entitlements in the office locality, the agency should decide at the earliest practical opportunity to pay travel allowance rather than the accommodation allowance.

Where the commercial accommodation does not include cooking facilities, the cost of meals may form part of the payment, within the accommodation cap set for an Office Holder.
