Part 5—Annual meeting fees and additional daily fees

23 Simplified outline of this Part

This Part applies to office holders who receive an annual meeting fee and additional daily fee. The annual meeting fee compensates for formal meetings of the authority with the additional daily fee payable for authority business unrelated to the formal meetings.

This Part sets out the conditions that must be met for payment of both the annual meeting fee and the additional daily fee, including certification of hours and minimum claim and maximum payment arrangements. Table 5A identifies the following:

- the individual public offices remunerated by annual meeting and additional daily fees;
- the fees payable to Chairs and Members (where applicable);
- any additional provisions or conditions that apply to the office, including any caps that apply to the additional daily fee;
- the travel tier for the office.

24 Application of this Part

This Part applies to office holders whose annual meeting fees and additional daily fees are set out in Table 5A.

25 Payment of annual meeting fees

- (1) The annual meeting fees set out in Table 5A are payable on a periodic basis throughout each year. Part years are paid on a proportionate basis. The annual meeting fee covers the following:
 - (a) attendance at all formal meetings of the authority (regardless of their duration);
 - (b) any preparation time for the formal meetings;
 - (c) any official travel time associated with the formal meetings.

Reduction for lengthy absence

- (2) The annual meeting fee is proportionally reduced where an office holder is unavailable to attend meetings of the authority for a period of more than 3 months, except to the extent that a reduction would be inconsistent with the terms of the office holder's appointment.

Section 26

26 Payment of additional daily fees

- (1) The additional daily fees set out in Table 5A are payable for time spent on authority business in accordance with this Part and as calculated under section 28.

Certification of time

- (2) For an office holder other than the Chair, additional daily fees may only be paid after the Chair certifies the total time claimed by the office holder, including any official travel time that is not associated with a formal meeting.
- (3) For the Chair, additional daily fees may only be paid after the total time claimed by the Chair is certified in accordance with the terms set out in the Chair's appointment or under governance arrangements approved by the responsible portfolio minister or employing authority.

Maximum payment

- (4) The maximum payable for any one day is one additional daily fee.

Minimum claim

- (5) Unless the employing authority determines otherwise, the minimum amount that may be claimed for payment at any one time is one additional daily fee.

Annual cap

- (6) If Table 5A sets out a cap on additional daily fees for an office holder, additional daily fees are not payable to the office holder once their aggregate additional daily fee earnings during that financial year reach the cap.

27 Authority business—exclusion

For the purposes of this Part, time spent on the following is not to be treated as time spent on authority business:

- (a) all preparation for a formal meeting, even where it is considered excessive to normal preparation time;
- (b) any official travel time associated with a formal meeting regardless of when the travel occurs.

28 Calculation of additional daily fees

- (1) The amount of an additional daily fee paid to an office holder for a day is 20% of the additional daily fee set out in Table 5A for each hour, to a maximum of 5 hours per day, that the office holder spends:
 - (a) on authority business; or
 - (b) on official travel time that is not associated with a formal meeting.

Section 29

- (2) For the purposes of subsection (1), disregard any period of time of less than one hour that the office holder spends as mentioned in paragraph (1)(a) or (b).

29 Annual meeting fees and additional daily fees

The following table (**Table 5A**) sets out, for each office holder in column 1:

- (a) the annual meeting fee for the office holder; and
- (b) the additional daily fee for the office holder; and
- (c) the annual cap on additional daily fees for the office holder (if applicable); and
- (d) the special provisions (if any) of this instrument that apply to the office holder; and
- (e) the travel tier that applies to the office holder for the purposes of the official travel determination.

Section 30

Table 5B—Special provisions for certain offices

Item	Column 1 Description	Column 2 Special provision
1	National Competition Council	The annual fee applies to all Council work including governance, meeting preparation and consideration of applications at and prior to scheduled meetings. Part 6—Base fees and meeting fees

31 Simplified outline of this Part

This Part applies to office holders who receive a combination of a base (annual) fee and a (daily) meeting fee. The base fee compensates for a wide range of work undertaken by the office holder as set out in this Part. The meeting fee component applies only to full day formal meetings of the authority and is payable in accordance with the provisions set out in this Part. Table 6A identifies the following:

- the individual public offices remunerated by base fees and meeting fees;
- the fees payable to Chairs and Members (where applicable);
- any additional provisions or conditions that apply to the office;
- the travel tier for the office.

32 Application of this Part

This Part applies to office holders whose base fees and meeting fees are set out in Table 6A.

33 Payment of base fees

- (1) The base fees set out in Table 6A are annual fees payable on a periodic basis throughout each year. Part years are paid on a proportionate basis. The base fee covers all activities undertaken by an office holder in performing the duties of their office, including the following:
 - (a) part day meetings (involving less than 5 hours including official travel time);
 - (b) preparation for a formal meeting;
 - (c) sub-committee work;
 - (d) formal dinners;
 - (e) teleconferences;
 - (f) representational activities;
 - (g) other authority business.

Reduction for lengthy absence

- (2) The base fee is proportionally reduced where an office holder is unavailable to attend meetings of the authority for a period of more than 3 months, except to the

Section 34

extent that a reduction would be inconsistent with the terms of the office holder's appointment.

34 Payment of meeting fees

- (1) The meeting fees set out in Table 6A are payable in accordance with this Part.
- (2) Meeting fees are payable only where the total time spent on a formal meeting of the authority, combined with official travel time associated with the meeting, is 5 hours or more on the same day. Part days do not accrue.

Certification of time

- (3) For an office holder other than the Chair, meeting fees may only be paid after the Chair certifies the total time claimed by the office holder, including any official travel time.
- (4) However, if the Chair is absent from a meeting, the office holder's meeting fees which relate to the meeting may only be paid after the nominated presiding officer for the meeting certifies the total time claimed by the office holder for the day or days to which those fees relate.
- (5) For the Chair, meeting fees may only be paid after the total time claimed by the Chair is certified in accordance with the terms set out in the Chair's appointment or under governance arrangements approved by the responsible portfolio minister or authority.

35 Base fees and meeting fees

The following table (**Table 6A**) sets out, for each office holder in column 1:

- (a) the base fee for the office holder; and
- (b) the meeting fee for the office holder; and
- (c) the special provisions (if any) of this instrument that apply to the office holder; and
- (d) the travel tier that applies to the office holder for the purposes of the official travel determination.

Part 7—Aboriginal Land Councils fees

37 Simplified outline of this Part

This Part applies to office holders of the Aboriginal Land Councils. Depending on their Council, Councillors may receive either an annual fee or a daily fee. This Part sets out the conditions that must be met for payment of fees, including certification of hours and minimum claim and maximum payment arrangements. Table 7A sets out:

- the individual office holders who receive annual fees; and
- the fees payable to Chairs, Deputy Chairs (where applicable) and Members who receive annual fees.

Table 7B sets out:

- the individual office holders who receive daily fees; and
- the fees payable to Chairs, Deputy Chairs (where applicable) and Councillors who receive daily fees.

38 Application of this Part

This Part applies to:

- (a) office holders whose annual fees are set out in Table 7A; and
- (b) office holders whose daily fees are set out in Table 7B.

39 Payment of annual fees

- (1) The annual fees set out in Table 7A are payable on a periodic basis throughout each year. Part years are paid on a proportionate basis. The annual fee covers all activities undertaken by an office holder in performing the duties of their office.

Reduction for lengthy absence

- (2) The annual fee is proportionally reduced where an office holder is unavailable to perform the duties of their office for a period of more than 3 months, except to the extent that a reduction would be inconsistent with the terms of the office holder's appointment.

40 Payment of daily fees

- (1) The daily fees set out in Table 7B are payable in accordance with this Part.

Section 41

Certification of time

- (2) For an office holder other than the Chair, daily fees may only be paid after the Chair certifies the total time claimed by the office holder, including any official travel time.
- (3) However, if the Chair is absent from a meeting, the office holder's daily fees which relate to that meeting may only be paid after the nominated presiding officer for the meeting certifies the total time claimed by the office holder for the day or days to which those fees relate.
- (4) For the Chair, daily fees may only be paid after the total time claimed by the Chair is certified in accordance with the terms set out in the Chair's appointment or under governance arrangements approved by the responsible portfolio minister or employing authority.

Maximum payment

- (5) The maximum payable for any one day is one daily fee.

Minimum claim

- (6) Unless the employing authority determines otherwise, the minimum amount that may be claimed for payment at any one time is one daily fee.

41 Calculation of daily fees*Meeting days*

- (1) The amount of a daily fee paid to an office holder for a meeting day is:
 - (a) if the office holder's qualifying meeting day time is less than 2 hours—40% of the daily fee; or
 - (b) if the office holder's qualifying meeting day time is at least 2 hours and less than 3 hours—60% of the daily fee; or
 - (c) otherwise—100% of the daily fee.
- (2) For the purposes of subsection (1), ***qualifying meeting day time*** is time that an office holder spends on a meeting day:
 - (a) attending a formal meeting; or
 - (b) on authority business; or
 - (c) on official travel time.

Non-meeting days

- (3) The amount of a daily fee paid to an office holder for a non-meeting day is 20% of the daily fee set out in Table 7B for each hour, to a maximum of 5 hours per day, that the office holder spends:
 - (a) on authority business; or
 - (b) on official travel time.

Section 42

Note: Normal preparation time must not be taken into account in working out fees under this section (see paragraph (c) of the definition of *authority business* in section 7).

42 Travel tier

For the purposes of the official travel determination, travel tier 2 applies to an office holder.
