Part 6—Base fees and meeting fees

33 Simplified outline of this Part

This Part applies to office holders who receive a combination of a base (annual) fee and a (daily) meeting fee. The base fee compensates for a wide range of work undertaken by the office holder as set out in this Part. The meeting fee component applies only to full day formal meetings of the authority and is payable in accordance with the provisions set out in this Part. Table 6A identifies the following:

- the individual public offices remunerated by base fees and meeting fees;
- the fees payable to Chairs and Members (where applicable);
- any additional provisions or conditions that apply to the office;
- the travel tier for the office.

34 Application of this Part

This Part applies to office holders whose base fees and meeting fees are set out in Table 6A.

35 Payment of base fees

36 Payment of meeting fees

- (1) The meeting fees set out in Table 6A are payable in accordance with this Part.
- (2) Meeting fees are payable only where the total time spent on a formal meeting of the authority, combined with official travel time associated with the meeting, is 5 hours or more on the same day. Part days do not accrue.

Certification of time

- (3) For an office holder other than the Chair, meeting fees may only be paid after the Chair certifies the total time claimed by the office holder, including any official travel time.
- (4) However, if the Chair is absent from a meeting, the office holder's meeting fees which relate to the meeting may only be paid after the nominated presiding officer for the meeting certifies the total time claimed by the office holder for the day or days to which those fees relate.
- (5) For the Chair, meeting fees may only be paid after the total time claimed by the Chair is certified in accordance with the terms set out in the Chair's appointment or under governance arrangements approved by the responsible portfolio minister or authority.
