Part 3—Annual fees

13 Simplified outline of this Part

Part 5—Annual meeting fees and additional daily fees

25 Simplified outline of this Part

This Part applies to office holders who receive an annual meeting fee and additional daily fee. The annual meeting fee compensates for formal meetings of the authority with the additional daily fee payable for authority business unrelated to the formal meetings.

This Part sets out the conditions that must be met for payment of both the annual meeting fee and the additional daily fee, including certification of hours and minimum claim and maximum payment arrangements. Table 5A identifies the following:

- the individual public offices remunerated by annual meeting and additional daily fees;
- the fees payable to Chairs and Members (where applicable);
- any additional provisions or conditions that apply to the office, including any caps that apply to the additional daily fee;
- the travel tier for the office.

26 Application of this Part

This Part applies to office holders whose annual meeting fees and additional daily fees are set out in Table 5A.

27 Payment of annual meeting fees

- (1) The annual meeting fees set out in Table 5A are payable on a periodic basis throughout each year. Part years are paid on a proportionate basis. The annual meeting fee covers the following:
 - (a) attendance at all formal meetings of the authority (regardless of their duration);
 - (b) any preparation time for the formal meetings;
 - (c) any official travel time associated with the formal meetings.

Reduction for lengthy absence

- (2) The annual meeting fee is proportionally reduced where an office holder is unavailable to attend meetings of the authority for a period of more than 3 months, except to the extent that a reduction would be inconsistent with the terms of the office holder's appointment.

28 Payment of additional daily fees

- (1) The additional daily fees set out in Table 5A are payable for time spent on authority business in accordance with this Part and as calculated under section 30.

Note 1: If a person undertakes activities for which the person receives an annual fee under this instrument, the person is not entitled to a daily fee for those activities.

Note 2: If a person undertakes activities for which the person does not receive an annual fee under this instrument, the person is entitled to only one daily fee under this instrument for those activities.

Certification of time

- (2) For an office holder other than the Chair, additional daily fees may only be paid after the Chair certifies the total time claimed by the office holder, including any official travel time that is not associated with a formal meeting.
- (3) For the Chair, additional daily fees may only be paid after the total time claimed by the Chair is certified in accordance with the terms set out in the Chair's appointment or under governance arrangements approved by the responsible portfolio minister or employing authority.

Maximum payment

- (4) The maximum payable for any one day is one additional daily fee.

Minimum claim

- (5) Unless the employing authority determines otherwise, the minimum amount that may be claimed for payment at any one time is one additional daily fee.

Annual cap

- (6) If Table 5A sets out a cap on additional daily fees for an office holder, additional daily fees are not payable to the office holder once their aggregate additional daily fee earnings during that financial year reach the cap.

29 Authority business—exclusion

For the purposes of this Part, time spent on the following is not to be treated as time spent on authority business:

- (a) all preparation for a formal meeting, even where it is considered excessive to normal preparation time;
- (b) any official travel time associated with a formal meeting regardless of when the travel occurs.

Section 30

30 Calculation of additional daily fees

- (1) The amount of an additional daily fee paid to an office holder for a day is 20% of the additional daily fee set out in Table 5A for each hour, to a maximum of 5 hours per day, that the office holder spends:
 - (a) on authority business; or
 - (b) on official travel time that is not associated with a formal meeting.
- (2) For the purposes of subsection (1), disregard any period of time of less than one hour that the office holder spends as mentioned in paragraph (1)(a) or (b).

31 Annual meeting fees and additional daily fees

The following table (**Table 5A**) sets out, for each office holder in column 1:

- (a) the annual meeting fee for the office holder; and

Part 6—Base fees and meeting fees

33 Simplified outline of this Part

This Part applies to office holders who receive a combination of a base (annual) fee and a (daily) meeting fee. The base fee compensates for a wide range of work undertaken by the office holder as set out in this Part. The meeting fee component applies only to full day formal meetings of the authority and is payable in accordance with the provisions set out in this Part. Table 6A identifies the following:

- the individual public offices remunerated by base fees and meeting fees;
- the fees payable to Chairs and Members (where applicable);
- any additional provisions or conditions that apply to the office;
- the travel tier for the office.

34 Application of this Part

This Part applies to office holders whose base fees and meeting fees are set out in Table 6A.

35 Payment of base fees

- (1) The base fees set out in Table 6A are annual fees payable on a periodic basis throughout each year. Part years are paid on a proportionate basis. The base fee covers all activities undertaken by an office holder in performing the duties of their office, including the following:
 - (a) part day meetings (involving less than 5 hours including official travel time);
 - (b) preparation for a formal meeting;
 - (c) sub-committee work;
 - (d) formal dinners;
 - (e) teleconferences;
 - (f) representational activities;
 - (g) other authority business.

Reduction for lengthy absence

- (2) The base fee is proportionally reduced where an office holder is unavailable to attend meetings of the authority for a period of more than 3 months, except to the

Section 36

extent that a reduction would be inconsistent with the terms of the office holder’s appointment.

36 Payment of meeting fees

- (1) The meeting fees set out in Table 6A are payable in accordance with this Part.
- (2) Meeting fees are payable only where the total time spent on a formal meeting of the authority, combined with official travel time associated with the meeting, is 5 hours or more on the same day. Part days do not accrue.

Certification of time

- (3) For an office holder other than the Chair, meeting fees may only be paid after the Chair certifies the total time claimed by the office holder, including any official travel time.
- (4) However, if the Chair is absent from a meeting, the office holder’s meeting fees which relate to the meeting may only be paid after the nominated presiding officer for the meeting certifies the total time claimed by the office holder for the day or days to which those fees relate.
- (5) For the Chair, meeting fees may only be paid after the total time claimed by the Chair is certified in accordance with the terms set out in the Chair’s appointment or under governance arrangements approved by the responsible portfolio minister or authority.

37 Base fees and meeting fees

The following table (**Table 6A**) sets out, for each office holder in column 1:
